

It's Winter

Carnival time!

Once again it is time to shake off those mid winter blues, that cooped-up, cabin fever tension that comes with days that are too short and weather that is less than hospitable. It is time for the Minden Winter Carnival, one of the best excuses man has ever devised to help make winter enjoyable.

After months of planning and hard work, the Minden Kinsmen Club is set to present its thirty-first edition of this winter favourite.

Carnival activities begin Friday evening at 6 p.m. and continue throughout the weekend. Most of the activities will be centered around the Minden Community Centre. Starting Friday evening is the annual Carnival Bonspiel,

sponsored by the Minden Curling Club. This popular mixed event attracts rinks from throughout southern Ontario and will continue until Sunday.

Also on Friday evening, the selection of the Carnival Queen and Princess will be made at the arena. Sponsored by local businesses, the young ladies will have been interviewed at 6:30 p.m. with the results being announced to the expectant crowd at 8:30 p.m.

Friday night, following the selection of the queen, a team of Minden Oldtimers will take on the HHSS Redmen in an exhibition hockey match.

Plans for hospital addition unveiled

"You and me - how shall we do it?" That was the theme of Barbara Dawson's speech at the official kick-off of the Haliburton Hospital expansion fund drive, held January 20 at the Haliburton Legion hall.

Dawson, chairman of the expansion fund committee, explained to an audience of about 75 how county residents could go about raising their \$240,000 share of the cost of the new Haliburton Hospital chronic care unit.

Also speaking at the meeting were Leo Dorion, executive director of St. Joseph's General Hospital in Peterborough and Kevin Cummings, co-ordinator of Haliburton and Minden hospitals.

So far, Dawson said, the expansion fund committee has managed to raise \$22,400 (another \$600 has been added to that since the meeting.)

The projected cost of the new unit is \$1,375,000. The provincial government has agreed to contribute almost two-thirds of that amount, the county has committed itself to \$266,400 and the expansion fund committee will find the rest.

Donations to the expansion fund so far include: \$20,000 from the Haliburton Hospital Auxiliary; individual donations totalling \$1,200; \$600 from the Victoria District Scottish Rite Club; \$500 from a group of Bell Telephone employees; \$300 from the Haliburton Hospital staff and \$100 from the Kinsmen of the South Algonquin district.

Dawson said the Hali-

burton Lions' Club has promised to raise \$50,000 through a series of draws and special events, including a raffle of a piece of waterfront property.

Among the special events planned by the Lions is a hockey game scheduled for March 31 featuring the CKVR No-Stars.

Donations to the fund can be addressed directly to Haliburton Hospital Expansion Fund, Box 512, Haliburton, Ontario K0M 1S0.

Leo Dorion, who as executive director of St. Joseph's Hospital, will be in charge of setting up the chronic care unit, began his talk by commenting "I think it's really great that the whole community is supporting this project."

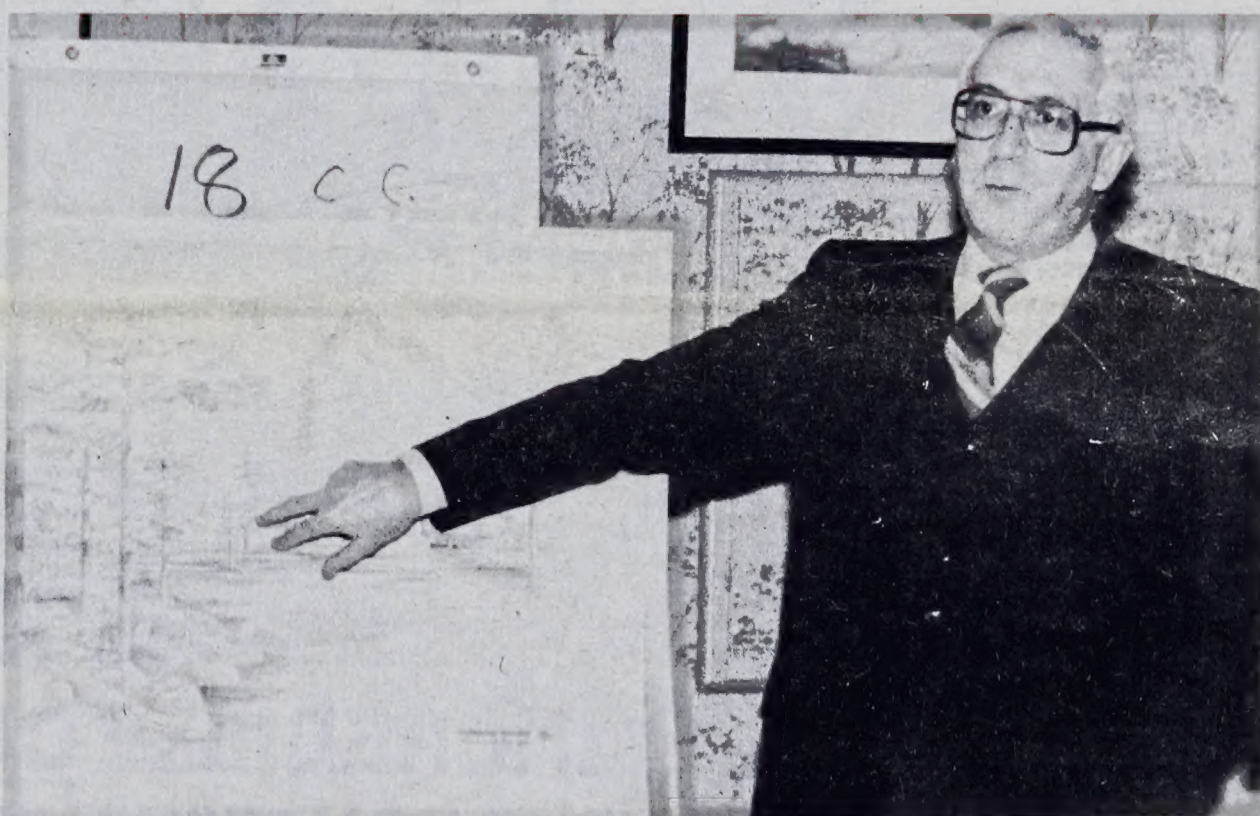

Dorion explained that the new unit would take up approximately 10,000 square feet of space close to the present hospital and would cost about \$900,000 a year to run. He added that it would require the hiring of approximately 31 new staff.

"It's quite a large project and there's a number of ways the space could be added," he said. "We want the whole hospital to function as a single unit and to provide some economy of operation."

Dorion said that some hospital additions don't function smoothly and economically. That is something they would have to guard against in Haliburton, he said.

Kevin Cummings, co-ordinator for Haliburton and Minden hospitals

Leo Dorion, executive director of St. Joseph's Hospital in Peterborough shows what the new Haliburton Hospital wing could look like at the official kick-off fund drive held last Tuesday, January 20 at the Haliburton Legion.

Townships agree to cost shares

The municipalities of Haliburton County have reached an agreement on how to divide their shares for the new chronic care unit planned for the Haliburton Hospital.

At the January 21 county council meeting it was decided that each municipality would contribute to the county's \$266,400 share of the bill according to its levy apportionment.

The hospital addition will cost approximately \$1.4 million of which the Ontario government will pay two-thirds. The Haliburton County Hospital Fund Raising Committee will raise \$240,000 and the

county, through the ten municipalities, will contribute the remainder, approximately \$266,400.

The funds will be raised over the next two years and paid at the end of that period to the Board of St. Joseph's hospital in Peterborough, which will oversee the design and construction of the new unit.

The county will not be charged interest on its share.

According to an earlier arrangement, the largest part of the county share was to come from the three municipalities of Anson, Hindon and Minden, Stanhope Township and

Dysart et al.

Together, they were to pay \$133,200 and the county was to raise a similar amount.

Earlier this month however, Minden council objected to this arrangement arguing that it placed too great a burden on three of Haliburton's ten municipalities.

Though the vote at last Wednesday's county council meeting for the new share arrangement by apportionment levy was unanimous, one councillor objected to the agreement during the discussion.

"People from my

township go to hospital at Bracebridge or Huntsville and many of us feel that we shouldn't have to contribute so much," said Don Shortreed, Deputy-Reeve of Sherborne Township. Shortreed added that he, personally, is in favour of the new funding agreement but his council is against it.

But then Bill Howe, Reeve of Bicroft Township, said that though some of his council thought the same, he convinced them to go along with the new share arrangement, saying that the new unit would be a county institution and that everyone should work together on it.

Luxury resort proposed for Stanhope

As early as next spring Stanhope residents could see the construction of another resort - besides the Beau Valley proposal now being discussed - on property behind the township firehall on the North Shore Road.

To be called the Rockface Inn, the resort is backed by a group of investors headed by Carlo Testa, a prominent Toronto architect.

According to the plan as it now stands, the inn would provide luxury accommodation for between 20 and 40 guests, fine cuisine, and a range of outdoor activities including cross-country skiing and hiking. Testa estimates the cost of construction at between two and three million dollars.

The investors are now

preparing to commission a feasibility study of the plan.

"I think it'll work but some of the other investors are looking for reassurance that what is being done is correct," Testa said in an interview. "That's why we're doing the study."

The plan is to build the resort on about 300 acres of land close to an escarpment. Testa explained that the natural beauty of the area would make up for the fact

that the property does not include lake front.

If the study is positive - it should take a month to complete - work on the design of the resort will commence, and that, he said, would take another two months.

Testa explained that once the design work is finished early next spring, his investors had the option of starting construction right away, or waiting to see if

they could get mortgage assistance from the Ontario Development Corporation, in which case building could begin in the fall of 1987.

Stanhope council has tentatively agreed to support the Rockface Inn proposal and to provide Testa with letters of recommendation that he can include in applications for government assistance.

Testa described the accommodation he hopes

his inn will provide as "very expensive."

He first began to think about building the inn in 1983. "I saw the land come up for sale," he explained, "and I realized it would be an ideal location for a luxury resort. There are no others like it in the area, and it's close to the Stanhope airport."

The original plan for the inn called for 20 suites but, said Testa, "the other invest-

ors wanted it bigger so we changed it to 40 suites."

The feasibility study will try to determine how attractive Haliburton County is as a tourist area, whether the resort would succeed better landlocked than it might if it had lake front, and how big it should be.

"The question is not whether it will work," Testa said. "It is how big a return on our investment we'll get."

Hospital

(from page 1)

explained in his speech some ideas for raising money for the chronic care unit. Cummings also went through the financial details of the project, pointing out that, "Although we are optimistic about going ahead on the building, there may be some problems in getting started."

Dorset acid rain report

The following report of precipitation events was compiled from information collected at the Ministry of Environment acid rain testing station in Dorset and distributed by Environment Canada. There were four snowfalls during the last reporting period:

January 18, 7 cm, pH 4.5 from Ohio and southern Ontario.

January 20, 3 cm, pH 4.3, from central Ontario.

January 21, 2 cm, pH 4.5, from Minnesota, Wisconsin, Michigan and Lake Huron.

January 22, 4 cm, pH 4.1, from Ohio, Pennsylvania, New York, and eastern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Plans for Minden motel presented

At last Thursday's Anson, Hindon and Minden council meeting, John Stainton officially unveiled his plan to build a 37 room motel on vacant land located behind the Brown Owl Restaurant and OPP office on Highway 35 in the village of Minden.

The motel design includes an exercise gym, a swimming pool and a sauna which, Stainton said, will be opened to local residents as

a fitness club during the off-season.

The plans for the motel - it is to be called the County House at Minden - will now go on to the municipal planner for inspection. The planning firm will then make recommendations to council on whether to allow the motel to be built and what zoning changes to make if it is.

Council was enthusiastic about Stainton's plans. "This is all very exciting," said councillor Verne Graham.

If the planning firm recommends the project, Stainton, who owns the Brown Owl Restaurant in Minden, will hold a public meeting at his restaurant toward the end of February. At the meeting, owners of property abutting the proposed motel, will be given an opportunity to voice any objections.

At the public meeting Stainton will also accept recommendations and answer questions.

"If all goes well, we'll be able to start building in May," Stainton said in an interview. "And with luck, we'll be open for business by next Christmas".

He explained that the motel would cater to the middle level market. "There are plenty of establishments at the upper and lower ends of the tourist and commercial trade, but nothing in between. So that's the market we're after."

He said he began planning to build the motel a year and a half ago.

County welfare head hired

Haliburton County has hired a welfare administrator. George Davidson, the new employee, was described by Stanhope reeve Harry Davis at last Wednesday's county council meeting as a man "with good experience and a good work record."

The decision to hire a welfare administrator was made last summer after council voted overwhelmingly to accept a Ministry of Community and Social Services recommendation that the county take over the job of administering welfare from the municipalities.

Davidson's job will be to set up and administer the new welfare system.

The new system will come into effect April 1.

OFFIRR Plus:

IT CAN CUT YOUR FARM DEBT INTEREST TO 8%

The Ontario Family Farm Interest Rate Reduction program (OFFIRR Plus) is designed to reduce your farm debt by covering part of the interest costs.

OFFIRR Plus, a \$246 million three-year program, applies to both long-term and operating debt.

It can reduce the interest rate on farm loans to as low as 8%.

And it can cover as much as \$360,000 worth of farm debt annually.

OFFIRR Plus also includes an Adverse

Weather Assistance provision to assist those who suffered crop losses because of adverse weather in 1986.

To find out more about OFFIRR Plus - and the Adverse Weather Assistance provision - contact any Ontario Ministry of Agriculture and Food office.

Or call collect at (416) 965-7661.

Completed applications: no later than May 18, 1987.

No time to sleep

Winter used to be a time of the year when the Highlands retired into a quiet sleepiness, disturbed only occasionally by a curious visitor or brave cottage owner who dared to challenge the vise-like grip the season placed on our county. While there are still days like that, when we are indeed "a sleepy little resort town" (off season), they are becoming few and far between.

Certainly the pace of life does slow down in the Highlands in the winter, but it certainly doesn't come to a halt. One need only look at the activities calendar for January, February and March to realize the county is anything but sleepy. Each weekend there is at least one organized activity, such as sled dog races, Snowaramas, winter carnivals, cross-country ski races, car races on ice and more. For less structured activities, there is ice fishing, the excellent snowmobile and cross-country ski trails, snowshoeing and simply enjoying the beauty of the winter landscape.

The second season in the Highlands is just starting to reach its potential. And, as the season takes on an attractiveness of its own, the benefits to the economy of the area as a whole can only grow, helping to create a more balanced distribution of income throughout the year. We don't expect and don't think anyone else is claiming, that winter visits will even approach the numbers seen in the summer.

However, we have begun to see that winter is no longer a time for sleep. The Highlands has what it takes to attract visitors in the winter too. Let's not miss this opportunity.

Carnival hijinks

The rush south

- by Arthur Black -

"I don't have any very strong nationalist instincts. I was brought up in southwestern Ontario where we were taught that Canadian patriotism should not withstand anything more than a five-dollar-a-month wage differential. Anything more than that and you went to Detroit."

John Kenneth Galbraith said that, and he was at least as good as his observation. As a young man, Galbraith heeded the siren call from south of the border and followed it, becoming among other things a world famous economist, U.S. ambassador to India and as the writer Anthony Burgess once put it: "One of the most famous Americans Canada ever produced."

I got to thinking about Mister Galbraith and his economic litmus test for patriotism after I read a story in the newspaper about the crowds that have been coagulating recently outside the American Embassy and in front of U.S. consulates right across the country. The crowds are made up of Canadian citizens, and they're not there to protest about shakes and shingles, free trade or the war in Nicaragua.

Consciously or otherwise, these citizens are living, shuffling proof of the Galbraithian five-dollar dictum. These folks want to move to the United States as soon as possible.

Understand that we are not talking about a handful of malcontents here. We are talking about a stampede. An invasion. A tsunami of would-be emigrants. Just consider the numbers of curious Canadians that American diplomatic officials have had to contend with recently:

- US Embassy in Ottawa: 3,000 calls a day.
- Calgary: 1800 phone calls; another 1800

people lining up at the door.

- Halifax: 1900.
- Vancouver: 1400.
- Winnipeg: 550.

One might think that US officials in the city of Toronto would have been spared the inundation -- Toronto being a platinum nail of the Golden Horseshoe wherein life is as gravy-dipped and financially rewarding as life in Canada usually gets.

One would be wrong. During the first three days of a recent week, the harried staff at the US Consulate in Toronto handled more than 10,000 inquiries.

There was a reason for the urgency -- a new visa program that will admit an additional 10,000 immigrants from 36 countries over the next two years. Any immigrant who gets one qualifies for American citizenship even if he or she does not have the usual work skills, sponsorship by relatives or refugee status. The catch is, all applications for visas had to reach Washington by the third week of January -- and they all had to arrive by regular (whatever that is) mail.

Well, I dunno. I'm sure a lot of those folks have a pocketful of reasonable explanations for their desire to go and play on the big guys team, but dammit, there's something demeaning about the image of tens of thousands of Canadians shambling up to US consulate doors like impoverished bog farmers asking for a few crumbs from The Marsters table. After all, this isn't Dogpatch. Canada isn't some flyblown Third World emirate or a lickspittle Communist vassal state. It's a good place -- colder than most, a tad hokey at times, confusing as hell

(more on page 5)

outdoors

In winter, the entire landscape becomes a giant magic slate, erased clean every few days by either melt or snowfall. To those who'll read the slate, winter offers a glorious opportunity to learn much more about the surprisingly large number of mammals and birds which remain active.

During the summer, most of the landscape is hard, and resilient; animals cross it constantly leaving little but scent-trails. But in winter, each fresh snowfall creates a pristine surface which records, for a few days, every event that touches it.

Every rabbit, deer, mink, weasel, fox and grouse -- to name but a few -- 'records' its daily events. By following the trail, you can not only identify the animal, but also see where it went, what it ate, how and where it bedded down. Many trails record brushes with predators, evasive techniques, territorial staking and other events.

Each species leaves its own clues, and most are easily recognized.

For starters, there are the tracks themselves. Most species leave distinctive footprints, which can be identified either by 'connect-

(more on page 5)

MPP's back to Legislature

- by John Eakins, MPP -

The Legislature has resumed sitting after the holiday recess and members of the Ontario Government are continuing work on a number of important matters affecting the lives of people in Ontario.

The government will focus on several key issues in the new year. For example, work will continue on pay equity. At present, legislation for pay equity in the public sector has received second reading and is now before committee at Queen's Park. Legislation for the private sector and the broader public sector has received first reading.

Improved access to adoption information will be the result of amendments to adoption disclosure legislation. Freedom of information legislation has received second reading and is before committee.

With the introduction of amendments to the Nursing Home Act, the government will continue to consult on nursing home regulations to improve the quality of care in Ontario nursing homes. As well, work will continue on pension reforms and the protection of pension benefits.

During the holiday recess, the Canadian Government, under pressure from some U.S. political leaders and the American lumber industry, imposed a 15 per cent surtax on Canadian softwood lumber exports to the U.S. Premier David Peterson told reporters that the deal on the softwood

lumber dispute with the Americans has set a dangerous precedent.

"We've turned not only our resource and taxation policies, but in a sense our regional development and employment policies over the another sovereign country. It's a very dangerous precedent," said the Premier. "I am worried about what has been done and I'm equally worried about what it could lead to in the future."

"Many people in Ontario -- laid off workers -- are bearing the consequences of what I consider to be a decision that was very ineptly handled from the beginning," Premier Peterson said.

Premier Peterson also raised the possibility of a constitutional challenge to Ottawa's imposition of the export tax. He said the con-

stitutional problem centres on the federal government's decision to impose export taxation of a provincial resource, without a federal-provincial agreement.

Closer to home, I would say it has been an interesting and busy month here in Victoria - Haliburton and I have been trying to attend some of the events that have taken place. On January 10th, I had the pleasure of greeting any of the participants at the annual Dog Sled Races held in Minden. This is an event that will continue to grow and attract more dog sled teams and fans.

On January 17th, I was the keynote speaker at the Wilberforce Business Association's first dinner and I was very impressed with the enthusiasm of this new group.

Preparing a petition

- by Bill Scott, MP -

As you will have heard by now, on January 6 Canada Post released details of their proposed postal rate increases to take effect, if approved, on April 1.

The rate proposals are the last part of the Corporation's financial and operating plans to require Federal Government approval. Other measures, which I have explained in an earlier Report from Parliament, to continue controlling costs,

improve productivity and modernize postal operations while maintaining the present pattern of rural mail delivery were approved in December.

In accordance with Section 17 of the Canada Post Corporation Act any and all interested Canadians have 60 days (until March 7) to make representations and comments before the

(more on page 6)

What do you think?

by Bill Kulas

The boundaries of age are moving up all the time. According to many gerontologists, today's 65 year old person is not much different from a 50 year old of forty years ago.

In Canada, one in 10 Canadians is age 65 or older. In the next 25 years the figures may be closer to one in five.

What will these figures mean in the future? St. Petersburg, a west Florida coast city of about 250,000 on Tampa Bay, provides a peek at the future. Its seniors age 65 or over represent almost one out of every four inhabitants. Many restaurants there train their employees in live-saving techniques, banks such as the Home Federal Bank provides free blood-pressure machines at each branch and a variety of small shops have sprung up to do odd jobs for seniors, including helping them fill out forms, a service available elsewhere for free.

So far in Canada much of the attention has focused largely on the pressure the growing army of the elderly will place on pensions and health care. Some political sooth-sayers and economists predict there may not even be pensions 40 years from now.

The Federal Government over the past ten years have placed much more emphasis on Canadians to play early for their future retirement by investing in financial vehicles such as R.R.S.P.'s (registered retirement savings plans) & R.R.I.F.'s (registered retirement income funds). Changes to come will range as well over where people live, how they shop, whether they work and for whom they vote; concerns that affect private business as well as government.

Today's senior is more active, travels more, is healthier and is better looked after than at any other time in our country's history. Their importance as a group in our society will be

magnified in the future.

We should strive to provide our seniors with a decent and comfortable standard of living. After all, our ancestors overcame a harsh and sometimes cruel land to form and create the world's greatest country!

Locally, we are fortunate to have excellent seniors accommodations in the Sunrise Apartments and Staunworth Court as well as a fine senior citizen's home in Hyland Crest.

Countless hard working, dedicated and devoted individuals such as Ed Pergolas have worked tirelessly to better provide for our seniors. Whether it's better and more affordable housing, better health care facilities, more activities, a higher standard of living, or, yes, even free fishing licences, we all have a commitment to make the golden years for our seniors more golden.

After all, God willing, old age is something that we can all look forward to! What do you think?

Infant Shawn Hemming knows how to keep warm at a ski race.

Looking for winter clues

(from page 4)

ing' a brief glimpse of the animal with its footprint, or by use of a field guide. Peterson's Field Guide to Animal Tracks, available from most libraries, will enable even the beginner to identify most species.

The size and shape of the footprint, number of toes, and placement often reveal much about the size and condition of the animal. Changing patterns of footprints and distance between them show how much of the time is spent ambling, browsing, or racing from predators.

By following the tracks, one can generally find out

what the animal was feeding upon. Clipped-off buds or bark-stripped branches identify the tastiest of bushes, as well as the comfortable reaching-height of browsers like snowshoe hare. Bounding trails ending in great trampled areas often show where a fox finally caught its prey. And, nearby tracks (or feathers) often reveal the diet.

Gnawings generally identify their maker by characteristic height and tooth pattern. Mice generally gnaw grasses and sweet-saplings (like fruit trees!) at the base of the snow layer, while snowshoe hare munch bushes between the snow's top and maximum reach. To

those who look closely, one can estimate how much gets eaten each day.

Animal droppings (called "scats" by scientists) have proven extremely useful to biologists. Most reveal a great deal of dietary information, containing seeds, berry remains, and bits of bark or hair. Rather than trapping dozens of animals to examine stomach contents, biologists can 'read' the changing dietary habits simply by examining scats.

Why not head out a day or so after the next snowfall? Pick a trail - any trail - and follow it. With a little Sherlock Holmes' ingenuity, you'll learn volumes about our winter wildlife.

On coming back to Canada

(from page 4)

-- but with a lot of virtues that the residents of a Los Angeles *barrio* or New York's Harlem couldn't even begin to dream of.

Enough sermonizing. Let me leave you with the story of Doctor Tak-Mak.

Doctor Mak is a Chinese-born Canadian genius in the field of Immunology. He also happens to be one of this country's leading candidates for a Nobel Prize in medicine.

Or was. Doctor Mak's reputation is international -- so much so that various well-endowed American institutions have been wooing him for years. Last year they were successful. Yale University offered the doctor his own brand new lab, plus directorship of the \$5 billion Howard Hughes foundation. All he had to do was move down

and take it.

The offer was too juicy. Doctor Mak, to no one's surprise, accepted. He flew down to Connecticut to check out the facilities, bask in the adulation and find a place to live.

But then a funny thing happened. Doctor Mak changed his mind. Last week he sent his regrets to the Yale Board of Governors and took the first plane back to Canada.

"My reasons for coming back are very complicated" said Doctor Mak. "One reason is that I love Canada. If everyone who other people think is a hotshot leaves, we won't develop into anything as a country."

Doesn't sound complicated to me, Doctor. Sounds just fine.

Welcome back.

Winter Carnival offers weekend full of fun

(from page 1)

weekend, will be open Friday evening in the community centre.

A Novice hockey tournament begins at 8 a.m. Saturday and continues all day.

Saturday the car racing on ice begins at the fairgrounds. The event this weekend is part of a series of races held during the season. There is no admission charge.

Snowmobile drivers and passengers are invited to join Haliburton County Snowmobile Association organizers for free trail ride and cook-out. Participants can register from 10 a.m. Saturday with the ride leaving Minden fairgrounds at 11 a.m.

At noon the Carnival parade will wind its way through the community.

Saturday afternoon events include a hat auction in the Crowe's Nest with Norm Mills, a wrist wrestling competition and other activities.

The annual Carnival Roast Beef Supper will be hosted by the Zion United Church Women in Carnarvon beginning at 5 p.m.

The Crowe's Nest closes at supper time to re-open at 8:00 p.m. for the carnival dance featuring the Murray Reid Group.

There will be free public skating at the arena Saturday evening starting at 8:30 p.m.

Sunday morning a Pancake Breakfast sponsored by CHACE Place will be held at the community centre. At the same time there will be free public skating in the arena.

At noon, a Ringette game featuring teams from Bobcaygeon and Fenelon Falls will take place in the arena, followed by a Novice and Tyke hockey games.

The Crowe's Nest opens at noon with the Murray Reid group back on stage at 2 p.m. At 3 p.m., the famous chicken eating contest takes place at the community centre.

Throughout the weekend, in addition to the usual array of activities, participants will be able to get a bird's eye view of the carnival and the community as helicopter rides will be offered, weather permitting.

Check the schedule in the centre four pages of today's newspaper for the exact times and locations of events.

from the chamber

by Shawn Hagerman

I'd like to report that the spirit of co-operation and working together for a common goal is alive and well at the Chamber.

This is especially evident this year by the marketing committee which put together a package of shows. For \$300, the participants are allowed the opportunity to attend four shows.

The first is of course, the ten day Sportsmen's Show in Toronto. Joyce Waffle a member of our board and part of the marketing committee personally guaranteed the funds for the booth space for the Chamber. I sincerely hope that other interested Chamber members will participate and thus help defray the costs. We need at least 20 participants to cover all the costs of going to the shows.

The other shows are the

Travel and Leisure Show, which is designed to inform people making travel and vacation plans. This show

runs from April 10 - 12. The Cullen Barns Show from April 6 to April 10, and focuses on seniors. Finally the Eaton Centre is April 20 - 25 and this offers good exposure in a high traffic area in the centre.

John Mateer, Joyce Waffle and Bob Jennings have volunteered to phone interested members over the coming week. We all know that everyone in the tourism industry would benefit from attending these shows and letting people know about Haliburton County as a destination point.

I am also pleased to report that at our last board meeting that we approved several new members, including, A. H. S. Hospitality Services, Lake Haven Resort, ReMax Realty, Wind SurFinn, Y M Agency, Wagon Wheel Motel, Michael's Restaurant, Investor's Syndicate and Fitness Haven. Welcome to our Chamber.

proposed regulations are submitted for approval. These letters must be addressed to: Minister Responsible, Canada Post Corporation, (Rates Representations), Sir Alexander Campbell Building, Confederation Heights, Ottawa, Ontario K1A 0B1.

Petition

It is the duty and responsibility of every Member of Parliament to present any serious petition given to him or her in the House of Commons whether they endorse the contents or not. The Minister responsible then has 45 days to respond. It has always been my pleasure to present such petitions. However, the Standing Orders of the House of Commons place certain rules on the form and content of acceptable petitions. If they do not meet their criteria, as judged by the Clerk of Petitions, they cannot be presented in the House. Recently I have received a number of petitions which were not acceptable.

For your information the rules for Form and Content

are:

1. A petition must be addressed "To the Honourable House of Commons of Canada, in Parliament Assembled".

2. A petition must be written, typewritten or printed on paper of usual size.

3. A petition must contain a prayer (requesting that Parliament see fit to take some action).

4. The prayer must appear on every sheet that has signatures.

5. A petition must contain at least twenty-five (25) signatures.

6. A minimum of three (3) signatures must appear on the front page.

7. A petition must contain original signatures only, written directly onto the petition.

8. A petition must be free of erasures or underlines.

9. Only Canadian residents may petition the House of Commons.

10. The petition must be written in a respectful and moderate tone.

11. The petition must relate to a matter coming under federal jurisdiction.

12. The petition must not

request the expenditure of public funds.

13. A petition should be written in the following form:

PETITION

To the Honourable House of Commons of Canada in Parliament Assembled

The petition of the undersigned residents of Canada who now avail themselves of their ancient and undoubted right thus to present a grievance common to your Petitioners in the certain assurance that your honourable House will therefor provide a remedy.

HUMBLY SHEWETH

That.....(states subject of petition, written in third person).....

WHEREFOR the undersigned, your Petitioners, humbly pray and call upon Parliament to..... (the prayer expresses the request of the Petitioners)

AND as in duty bound your Petitioners will ever pray.

DATE:.....

Signatures, Addresses

All pages after the first must be the same from "WHEREFOR" down.

Student will run summer program

The municipality of Anson, Hindon and Minden will be hiring a student this summer to run a recreation program, it was announced at the January 22 council meeting.

The student, whose title

will be program coordinator, will design and implement a schedule of activities suited to the needs of the community.

The recreation committee will be responsible for hiring the student.

According to a report from the recreation committee last year, there is a proven need for a recreation program. (A two day week pilot program was well attended.)

It was suggested in the council meeting last week that a questionnaire be circulated in the municipality to determine what sports and activities should be offered.

RENT REVIEW UPDATE FROM THE MINISTRY OF HOUSING

Important message to tenants and landlords of rental units first occupied after 1975.

The Residential Rent Regulation Act, 1986, extends the protection of rent review to cover *all* tenants in private rental units in Ontario. This includes buildings, mobile homes and mobile home sites first occupied as rental units after 1975.

In the past, tenants living in units which first came on the market after 1975 - post-'75 units - were not protected by rent review. Under the new legislation, tenants living in post-'75 units are now protected by rent review along with all other tenants in private rental units in Ontario.

As well, the provisions extending rent review to cover post-'75 units are *retroactive* to August 1, 1985.

This means that the four per cent Guideline which was in place from August 1, 1985, to December 31, 1986, applied to post-'75 units during this period.

Thus, landlords who charged tenants of post-'75 units more than the four per cent Guideline during this period must now justify those rent increases or refund to tenants the difference between four per cent and the higher amount charged.

Tenants in post-'75 units: do not make immediate deductions from your rent.

For the present, tenants living in post-'75 units should pay the amount requested in the notice by their landlord until the matter is resolved through rent review.

Under no circumstances should tenants make immediate deductions from their rent cheques because an illegal deduction could lead to eviction by the Courts.

Tenants in post-'75 units: obtaining a rent rebate.

- If the landlord of a post-'75 unit has not made an application to rent review by March 2, 1987, the tenant is entitled to a rebate of rents paid above the 4 per cent Guideline between August 1, 1985, and December 31, 1986.
- If the landlord does not voluntarily pay the tenant the rebate owing, the tenant is advised to file an application with the local Rent Review Office for an order requiring the landlord to pay the rebate.
- If the tenant is *certain* of the amount of the rebate, the tenant may deduct the amount from a rent cheque.

Requirements for landlords of post-'75 units.

- Landlords who have charged tenants more than the 4 per cent Guideline from August 1, 1985, to December 31, 1986, have until March 2, 1987, to apply to rent review to justify these rent increases.
- To apply, a landlord must file an application form and supporting information with the local Rent Review Office, showing that the rent increases were justified.
- Landlords who apply to justify these rent increases must give a copy of their application to all of their tenants within 10 days of applying. Tenants are entitled to examine all the materials filed and to make submissions to the local Rent Review Office.
- Landlords who do not apply to rent review on or before March 2, 1987, must rebate excess rents charged to tenants between August 1, 1985, and December 31, 1986.

Landlords of post-'75 units who have already served notice of a rent increase above the 1987 Guideline:

Under the new legislation, the Rent Review Guideline for the year 1987 is 5.2 per cent.

Some landlords of post-'75 units have already served tenants with notice of a rent increase effective on or after January 1, 1987, which exceeds the 5.2 per cent Guideline.

These landlords also have until March 2, 1987, to apply to rent review for approval of a 1987 rent increase above the 5.2 per cent Guideline.

If the landlord applies to rent review, tenants will receive a copy of the application and be given a full opportunity to participate in the rent review process.

If the landlord does not apply to rent review and the time period for doing so expires, the landlord must rebate the difference between 5.2 per cent and the higher amount charged during 1987.

VON marks 90 years of service

The Victorian Order of Nurses is 90 years old this year, and to celebrate the birthday, the Haliburton County VON has proclaimed January 25 - 31 VON Week.

The VON has been in Haliburton since 1974 (before that, the area was served by the Peterborough Branch). At present, the seven nurses in the unit make an average of 400 to

600 visits a month. They work very closely with the Home-Care Program - from which they draw almost 99 per cent of their patients.

The VON is a non-profit

organization, charging patients only according to their ability to pay. First established in 1897 by Lady Aberdeen, wife of the then governor general, the VON was intended to provide care for people in remote areas of the country where medical facilities were scarce.

In those early days, the nurses got to their patients by whatever means they could, often by foot, sometimes by bicycle.

Nowadays the most common means of transportation is by automobile. But still the need for home nursing care is as strong as ever, especially now that the number of seniors is increasing dramatically.

Though the VON work primarily with seniors in Haliburton County, they offer their services to anyone who would benefit from home nursing care.

When the VON began 90 years ago, they visited patients in their homes out of necessity; because of isolation or lack of money the patients couldn't get to the towns and cities to get the care they needed. But the home visits are now regarded as one of the best attributes of the VON. People, it is now recognized, respond to medical attention much better in their own homes than in sterile and unfamiliar hospital wards.

To make the community

more aware of the work they do, the Haliburton VON is sponsoring a poster contest at county schools. Students were given a talk and a slide show earlier this week by VON representatives.

Posters, drawn by the students, are being displayed around the various communities. Winning posters - those which best depict the various roles of the VON - will be picked at the end of the week.

The Haliburton VON is

part of the Peterborough Branch which includes 65 staff members in all.

Each visit by a VON nurse costs an average of \$27.53. Funding for the order comes from private donations, insurance companies, the United Way, and fund-raising events.

Besides the nursing program, the VON also offer paramedical, assessments for the Department of Veteran's Services, foot care, and adult day-care.

VON nurses of Haliburton County are: from the left, front row, Helen Berry, Shirley Johnston and Marilyn Mighton. Back row, Nancy Pettit, Marg Fielding, Elaine Jackson and Anne MacNaull.

Novices play in Bobcaygeon

submitted

On Friday night the Minden Novice II team travelled to Bobcaygeon and took part in a very exciting game. Both teams exchanged chances until midway through the second period when Donald Todd scored the only goal of the game to give Minden a 1-0 victory.

Minden was a man short for the last two minutes but even with their goalie pulled, Bobcaygeon was unable to beat Chris Kerr in the Minden nets.

Saturday morning the

boys took on Oakwood in a fast paced game that saw the lead change three times, but came up on the short end of a 5-4 score.

Scoring for Minden were Donald Todd one goal and one assist, Ben Ripley one goal, Wade Hartin one goal, Robbie Camelon one goal and Clay Davis one assist. Chris Kerr played another strong game in goal.

The Minden team played very good hockey in both games proving they are as good as any team in their league.

Highway 35 & South Water St.
MINDEN 286-1944

The action resumed this past weekend at the Minden Ice Racing track with the opening event of the 1987 season. Under the sponsorship of STP and Yokohama Tires, along with various car clubs from southern Ontario, drivers will be competing in up to seven races this year. The second in the series takes place this weekend as part of the Minden Kinsmen Winter Carnival. The races provide an interesting and exciting spectacle as the cars skid and bounce their way around the iced track.

Husky Bantams win, tie

The Haliburton Husky Bantams had a very successful week as they defeated Fenelon Falls 7-3 in game two of the best of five series and tied game three, 3-3. The Huskies do not play again until Friday, February 6 in Fenelon Falls at 8:00 p.m. A fifth game if necessary will be in Haliburton Saturday, February 7 at 8 o'clock.

In the second game, the goal scorers were Kyle Hewitt from Francis and Byers; Russell from Francis; Francis from Hewitt and Johnston; Russell from Taylor; Byers from Hewitt; Byers unassisted; and Hewitt from Vuksic. Gavin McKnight turned in another solid performance for the Huskies.

Game three had the fans on the edge of their seats from the opening faceoff as Jeff Francis put the Huskies ahead after only six seconds assisted by Kyle Hewitt. Fenelon scored at 11:41 of the first to tie it at one apiece.

Jeff Francis got the go ahead goal with 1:10 left in the second period but again Fenelon tied it at 0:52 of the second.

At 11:46 of the third period, Fenelon took the lead. With 7:29 left in the third period, Scott Russell set up Kyle Hewitt in the slot to make it 3-3.

Despite a valiant effort by both teams in the final minutes of the third period and subsequent overtime period, the game remained tied at 3 apiece.

Exciting to say the least, with excellent goaltending by Gavin McKnight of the Huskies and Shawn Purdy of the Falcons.

PeeWees strong at tournament

Last weekend Minden Monarch Pee Wees weathered the cold to travel out of town to tournament in Powassan. Teams participating in the tournament included North Bay, Port Carling, Parry Sound, Powassan, Angus, Sundridge and Orillia.

Minden met Orillia in the first game and defeated them by a score of 5-2.

Scoring for Minden were: First period: Mike Muli unassisted. Second period: Wyatt Nesbitt from Jamie Dollo; Rob Ackerblade from Hunter Obee. Third period Rob Ackerblade unassisted.

This win placed Minden in the championship side of the tournament only to meet Angus. Angus is classified as a DD category team, two levels above Minden. They are an extremely competitive team and are presently at

the top of their league.

Minden was defeated by Angus by a score of 6-1, but not before putting up a good battle. The only Minden goal scored in the game was in the third period, Oliver Greer assisted by Jason Scarlett and Mike Muli. Good team effort was demonstrated by the Minden Pee Wees.

Minden also faced off against Manvers on Sunday. Game ended on a one all tie. Goals scored by Rob Ackerblade assisted by Wyatt Nesbitt and Hunter Obee. This is the only partial defeat that Manvers has encountered in the series.

Aaron Hie and Jason Klett were acting as goaltenders. Minden travels to Bobcaygeon on January 29 and to Baltimore on January 31 for next two games in series.

Cold weather does not deter skiers

Gwyneth Norman of Ottawa receives a welcoming hug and a warm blanket from a fellow competitor after competing in a cross-country ski race Saturday morning.

While the sun shone down brightly on the starting line of the cross-country ski trail, racers, their coaches and spectators gathered in small groups slapping hands and stamping feet to fend off the bitter winter cold.

With temperatures nudging the -20 mark at the scheduled 10 a.m. start, the race was postponed for several hours to wait for more suitable conditions. Even with the delay, racers faced a -17 degree temperature at the noon start, and considerably colder condition when the brisk wind swept through the area.

The races were co-sponsored by the Haliburton Cross-Country Ski Club and the Nordic Trail Association. Some 142 were registered for the event, however only 88 started on Saturday, a result, no doubt of the chilly conditions.

The organizers were still pleased with the turn-out. Noting that the race attract-weekend event, required all the resources of both sponsoring groups, leaving no

one from the local area to compete in the events. Perhaps, next year.

ed skiers from eastern Ontario and the Toronto area, one of the organizers Rhonda Elstone said the group was very pleased with the attendance. "Those who came were obviously very keen racers," she commented, "this is the sort of thing they do every weekend."

Mrs. Elstone's observations were borne out at the starting area across Highway 121 from PineStone Inn. The area was a hive of activity as coaches offered last minute advice to eager skiers preparing to head out on the course, and consoled the weary competitors as they crossed the finish line of the grueling circuit.

The races, which took place Saturday and Sunday offered an opportunity for racers from outside the area to try Highlands' trails under competitive conditions. Most appeared to be pleased with what the area had to offer. Unfortunately, the organization of the

The chilly temperatures Saturday morning forced the cross-country ski race competitors to take extra precautions against the cold. A coach helps to adjust the face mask of a young competitor before he heads out on the trail.

Novices tough at Fenelon

On Saturday, the Monarch's Senior Novices were defeated in the third game in the Fenelon Falls tournament.

Game one was played at 10:00 a.m. against Orono, a very aggressive team who, from the drop of the first puck, tried to brawn their way to a win.

Our boys were not used to such a physical style of hockey but by the start of the second period had adapted and turned a first period score of 1 - 0 in Orono's favour to a 4 - 1 victory for Minden.

A hat trick by Todd Redgrave (two in second, one in third) virtually guaranteed the win, but never giving up, Tommy Bagshaw slammed the door with a goal with 26 seconds left to play.

The second game was against Millbrook at 3:00 p.m. who played a game of skill and served us our first tie in regular time play. We immediately proceeded to 15 minutes sudden death overtime period and at 2:18 the winning goal was scored by Todd Redgrave.

Other goals were scored by Dave Raback and Andrew Wilbee. The entire game was fast and skillful with no penalties, hockey at its best.

With only a 40 minute rest our young men lined up against Oakwood for the

tournament championship. Oakwood scored in the first period at 7:44 with Minden responding at 2:34 to tie at 4:29.

In the second period Minden scored to pull ahead, a lead they held to the end of the second period.

Oakwood tied it up at 9:36 in the third. The two teams battled up and down the ice until about 3:40 when it appeared Oakwood scored. The officials indicated, after an unusual delay, that no goal had been scored and that the play had been whistled down.

A face-off to the right of our goal ensued, a scramble

for the puck in front of our net and with our goalie screened Oakwood slipped it in at 3:15 to go ahead 3 - 2 and eventually win the game. Minden goals were scored by Marty Dettman and Andrew McKelvey.

Fatigue had taken its toll however. Anyone who has watched a hockey game knows the score does not always tell the whole story. Although our players were dog tired, each and every one reached deep on Saturday and until the final whistle showed. The determination which made us all very proud.

Driver charged following mishap

A driver of a snowmobile has been charged with careless driving following an accident last Friday. The mishap occurred on the North Kennis Lake Road.

Robert Charron, 21, was the driver of a snowmobile which left the roadway and struck a parked car and trailer.

The driver sustained minor injuries.

Constable Al Barnes is the investigating officer.

Stolen property
Police are investigating

the theft of a snowmobile from the Bob Lake area. The missing property is a 1973 Ski-Doo Elan, yellow in colour.

Check lakes

Police are still advising snowmobile and ATC operators to make certain the lakes and river surfaces they are travelling are solid. "The sudden cold weather has caused icing over of open water, but this weak ice can still cause a hazard," the OPP spokesman said.

Curlers head into second section

The second schedule at the Minden Curling Club is well on its way as all the leagues have now completed the third game of the new season. The following are highlights of the front running teams:

Monday Ladies

The Monday night ladies league has three teams currently tied for first place as Sally Bonner, Catherine Kellett and Dianne Warnes all have 2 and 1 records. Dianne Warnes' rink notched a 9-7 win over Lois Titus while Catherine Kellett overpowered Gwen Cox 11-1. Sally Bonner was looking for first place and a 3 and 0 record but Cheryl Murdoch's foursome disappointed the Bonner rink 6-4.

Tuesday Men's

The J.O. Jackson and Paul Prentice rinks have now earned a share of first place and 3-0 records in the Tuesday night men's league. J.O. Jackson led his team to a 7-6 victory over Bill Roodenburg while Paul Prentice hung on to edge Jerry McKelvey's rink 5-4.

Thursday Mixed

On the Thursday night mixed league the first place honours go to skips Rob Robertson, Stan Hill and Bob Colliver with perfect 3-0 records. Rob Robertson's team earned first place by defeating Lil Gorveatt's rink 8-5.

Bob Colliver crushed Frank Franzen's rink 11-4 while Stan Hill stung Chris Coneybeare 14-4.

Friday Mixed League

Barry Marshall and Diane Warnes are leading the pack on Friday night with 3-0 records. Barry notched his third win by defeating Ron Reid 9-7 while Warnes' team kept pace by overwhelming Mike Maybee 11-1.

Other curling news
Here is a listing of the first place winners from the First Schedule.

The winners of the Monday night ladies is

Catherine Kellett's rink of vice, Sally Bonner, second Jackie Chillman and lead Corinne Arsenault.

Neil Burk won the Tuesday night men's league.

Final Standings - First Schedule 1986-87

Monday Evening Ladies League

1.	Catherine Kellett	4-2-1	45 pts
2.	Diane Warnes	4-3-0	40 pts
3.	Gwen Cox	3-3-1	35 pts
4.	Cheryl Murdoch	2-2-3	35 pts
5.	Lois Titus	3-3-1	35 pts
6.	Glenda Robertson	2-5-0	20 pts

Tuesday Evening Men's League

1	Neil Burk	6-0-1	65 pts
2	Herb Roodenburg	5-0-2	60 pts
3	Bob Austin	6-1-0	60 pts
4	Gerry Churko	5-2-0	50 pts
5	Paul Prentice	3-3-1	35 pts
6	Bob Colliver	3-3-1	35 pts
7	Bill Roodenburg	3-4-0	30 pts
8	Bill Dillon	2-3-2	30 pts
9	Paul Heffer	3-4-0	30 pts
10	Dwight Thomas	2-3-2	30 pts
11	Frank Franzen	2-5-0	20 pts
12	Ed Cyr	2-5-0	20 pts
13	Jerry McKelvey	2-5-0	20 pts
14	Jim Burton	0-6-1	5 pts

Thursday Evening Mixed League

1.	Brian Cross	6-1-0	60 pts
2.	Neil Burk	6-1-0	60 pts
3.	Bill Bonner	5-2-0	50 pts
4.	Chris Coneybeare	4-2-1	45 pts
5.	Lil Gorveatt	4-2-1	45 pts
6.	Howard Scott	3-3-1	35 pts
7.	Frank Franzen	3-4-0	30 pts
8.	Rob Robertson	3-4-0	30 pts
9.	Bob Austin	3-4-0	30 pts
10.	Jim Burton	2-4-1	25 pts
11.	Bob Colliver	2-5-0	20 pts
12.	Stan Hill	2-5-0	20 pts
13.	Bill Roodenburg	2-5-0	20 pts
14.	Paul Prentice	2-5-0	20 pts

Friday Evening Mixed League

1.	Barry Marshall	5-1-1	55 pts
2.	Diane Warnes	5-2-0	50 pts
3.	Elaine Blakey	4-3-0	40 pts
4.	Carl Northey	4-3-0	40 pts
5.	Bill Dillon	3-4-0	30 pts
6.	Lawrence Lougheed	2-4-1	25 pts
7.	Dwight Thomas	2-5-0	20 pts
8.	Peter Franzen	1-4-2	20 pts

His rink consisted of vice Stan Blears, second George Hewitt and lead Dave Blakey.

The Thursday mixed league had Brian Cross achieve first place, his rink consisted of vice Gwen Cox, second Vickie Cross and lead Marj Coulter.

Finally the Friday mixed league saw Barry Marshall rink of vice Anita Beaver, second Steve Lacey and lead Nadine Papp take first place.

A competitive curling league is now being set up for Wednesday night. Dwight Thomas, Bob Colliver and Cheryl Murdoch are now calling on all challengers. This is a good way to get practice for your bonspiel teams as well as improving our competitive teams who represent our club.

This weekend the Minden Curling Club is hosting the Minden Winter Carnival Mixed Bonspiel. There will be 24 teams in what has proven to be one of the club's most successful curling events. Action starts Friday night and continues throughout the weekend with finals on Sunday. See you there and Good Luck!

This fifteen and a half pound, 35 inch lake trout was the prize catch of George Anderson last Thursday as he enjoyed an afternoon on the ice of Gull Lake. The lunker was caught near Braeside Cottages on Highway 35, using a Mr. Champ lure.

Teams head into the playoffs

Monday night's three games being the final matches in the regular season of the Minden Men's Recreational Hockey League, spectators were treated to some fine hockey. All four teams will now advance to the playoffs.

First to play on Monday were Hall's Insurance and The Times. In this fast, touch-and-go game, Hall's inched The Times 6-5.

Here's how it went: In the first period The Times came on strong and managed to skate over Hall's for two consecutive goals, scored by Dave Rogers and Boomer Stamp.

But toward the end of the period, Hall's recovered slightly when Rick Salmon put one by The Times goalie before the buzzer went.

In the second period, with the score at 2-1 for The Times, the two teams battled for the puck and it's a testament to the closeness of the competition that by the time the teams retired to their dressing rooms to wait for the third period, only one goal had been scored. It was knocked in by The Times player Stamp - his second of the evening - and gave his team a two goal lead.

Depressed but still determined, Hall's skated out into the third period

with the idea that they would not be defeated. And slowly at first, they came back.

The first Hall's goal was scored by Dave Brown. The Times soon answered with one by Doug Colborne.

So, at a quarter of the way through the third period, the score was 4-2 with Hall's on the down side. But Hall's came back again with one by Joe Mitchell which was matched with another by The Times' Doug Colborne.

And then Hall's got serious and in the final half of the last period they changed a 5-2 disadvantage into 6-5 win.

Scorers were: Lawrence Lougheed, two goals, and Bernie Upton.

In the second game of the evening, Rockcliffe trounced Vasey 12-8.

The first period saw three goals and the start of the Rockcliffe lead which grew as the game went on. Scorers were: Dave Hartwick of Vasey and Doug Thain and Jim Keetch both of Rockcliffe.

In the second period, the scoreboard flashed as goals increased. Rockcliffe maintained its lead until the end of the period when Vasey tied it up 5-5. Vasey scorers were: Larry Sawyer, Brendan Berube, Dave Hartwick. Rockcliffe goal-getters were: Barry Boice

A Rockcliffe player prepares to take a shot at the Vasey net in a Minden Men's Recreational Hockey game last Monday night. Rockcliffe won the game 12-8.

two goals and Doug Thain.

But in the third period, Rockcliffe jumped ahead to win the game with a four goal lead. Vasey scorers were Andy Campbell, Barry Walker and Dave Hartwick.

Rockcliffe points were scored by Ted Vasey, Kevin Hamilton, Barry Boice, Paul Walker, Jim Keetch (two goals) and Boice again.

In the final game of the evening, Hartwick thrashed Home 17-5.

From the start there was no question about who was to take the lead. In the first period, Hartwick notched up 6 goals to Home's 1.

Hartwick points were scored by Sid MacKeigan and Trent Lloyd who both got three goals. The Home

goal was scored by Jeff Howe.

Home came back slightly in the second period but it was too little, too late.

Scorers were: Howe, John Barkwell and David Dollo for Home and MacKeigan (two), Trent Lloyd and Cory Walker and Gary Nelson for Hartwick.

The third period was a

repeat of the first with Home getting one goal and Hartwick another six.

The Home point was scored by Kim Collis. Hartwick goals were notched by Cory Walker, Gary Nelson (three), MacKeigan and Trent Lloyd.

Next week the playoff schedule begins.

Minden Men's Recreational

League Playoff Schedule

County braces for Gypsy Moth invasion

A severe gypsy moth infestation that began six years ago near the town of Kaladar is expected to spread into Haliburton County within the next two years.

At last Wednesday's meeting of county council, Paul Burgess, regional forestry specialist with the Ministry of Natural Resources in Huntsville, explained that though the ministry can slow the spread of the moths, they can't stop it.

Gypsy moths first spread into Canada from the eastern United States. They feed on the leaves of nearly all tree varieties and though the leaves usually grow back the next year, in some cases, where the pests recur year after year, the trees die.

Burgess explained to council that in the first five years of the infestation, the gypsy moth population blossomed, quickly spreading into surrounding counties. In 1986, however, there was a significant decrease in infested areas. This, Burgess said, was the result of a combination of factors, including a spraying program which the ministry had recently begun.

It is not yet known

whether the gypsy moth will continue to decline or rebound, Burgess said.

A gypsy moth is a particularly difficult pest because it has few natural predators and can lay its eggs almost anywhere. It was first introduced to North America from Europe in the 19th century.

The female moth lays its eggs in August and can produce as many as one thousand in a good season. The eggs hatch in late April and early May, producing dark copper-coloured caterpillars about 4 millimetres long. The caterpillars then climb trees and feed on the foliage. They pupate in July, and toward the end of July and into early August, adult moths emerge from their cocoons.

The adult male moth is dark brown and can fly, the female is larger and beige coloured. The female doesn't fly.

The adult moths live only five to seven days.

Burgess explained that though gypsy moth infestations don't usually kill trees, they do retard growth and leave trees more susceptible to disease.

He said that the ministry has recently begun a

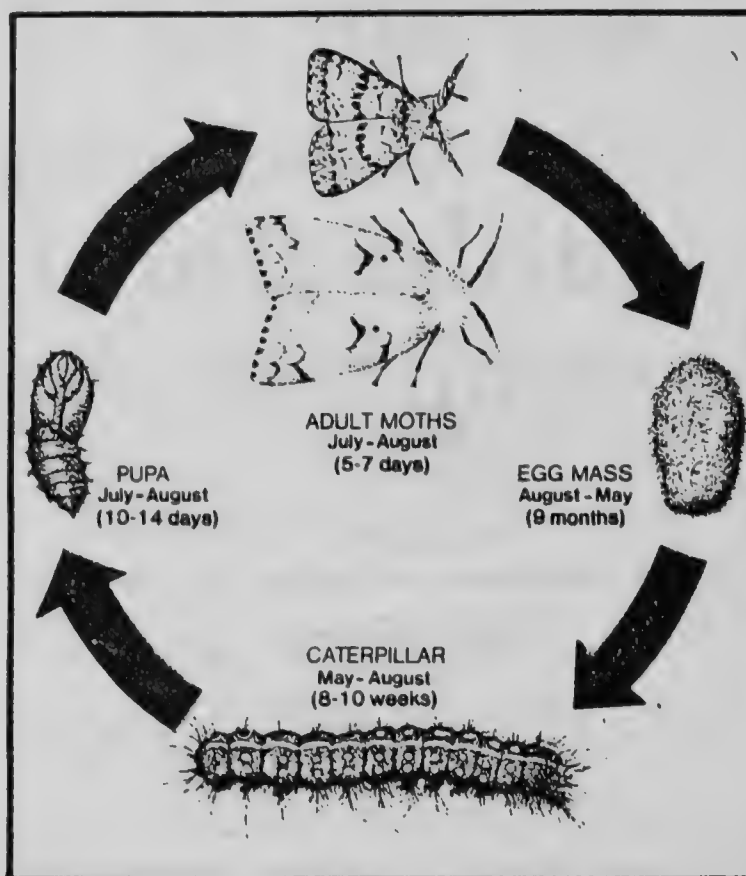

program of aerial spraying to combat the pest, using a biological pesticide which is not harmful to mammals and most other insects.

Called Bt, it is a bacteria which occurs naturally in soil. Bt kills the gypsy moth caterpillar by breaking down its digestive tract.

The disadvantage to Bt is that it is effective only at certain times during the life cycle of the gypsy moth and must be eaten by the insect, Burgess explained.

He pointed out that the reason the pest is so virulent in North America is because as an introduced species, it has very few predators which, in a natural environment, would keep its numbers in check.

Eventually however, it is expected that gypsy moth predators will increase in North America and eventually the insect will develop a natural population cycle, he said.

Life cycle of the gypsy moth showing approximate dates.

CENTRE

P.O. BOX 908
HALIBURTON,
ONTARIO
K0M 1S0
(705) 457-2313

FRONT DESK PROGRAM

The Haliburton Highlands Hospitality Training Centre is offering a 30 week Front Desk training program. You must currently be unemployed with an interest in working with the public as a front desk operator.

Applications for interested trainees are available from the Training Centre or the Outreach Centre in Haliburton. Please return completed applications as soon as possible to either the Outreach Centre or the Training Centre. You must be unemployed for 24 out of the last 30 weeks. You will be contacted for a personal interview.

Program components include:

- front desk management
- computer skills
- office procedures
- job placement

You are paid minimum wage while training. Start date is February 2, 1987.

Match the game card and WIN dinner!

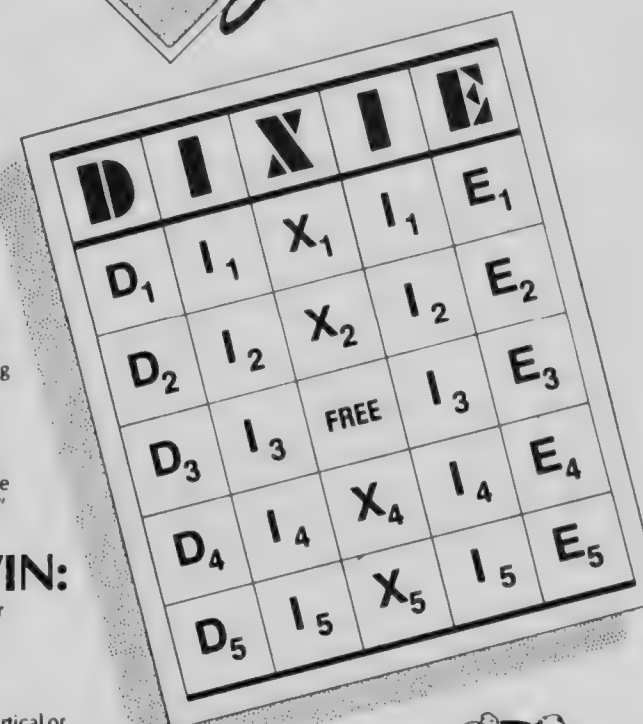

With each \$5.00 purchase, including tax, you receive a special Dixie Lee Bingo Sticker. Just peel it back and match it to the card. All matching cards, with the correctly answered skill testing question, will be eligible for a special Dixie Lee draw for a 26" Sanyo colour TV on April 15, 1987.

YOU CAN WIN:

- A 2 piece Chicken or Fish Dinner when you match 3 of 4 corners.
- A 6 piece Mini Box when you match 4 of 4 corners.
- A 9 piece Econo Box when you match a horizontal, vertical or diagonal line.
- A 15 piece Bucket when you match any combination of two horizontal, vertical or diagonal lines.

Pick up a game card at your local Dixie Lee.
Play as many times as you want.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File No. 86-9)

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up, close and
convey to the adjoining landowners portions
of the original allowance for road along the
shore of Mountain Lake lying in front of Lot 5,
Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) (a) of the Municipal Act,
R.S.O. 1980, as amended, that the Council of
the Corporation of the Townships of Anson,
Hindon and Minden proposes to consider and,
if deemed advisable, to pass at its regular
meeting to be held in the Municipal Council
Chambers on Milne Street, Minden, Ontario,
on February 12, 1987, at the hour of 10:00 a.m.,
a By-law to stop up, close and convey that
parcel of land more particularly described as
follows: -

Part of the original allowance for road along
the shore of Mountain Lake in front of Lot 5,
Concession 8, in the Township of Minden, in
the County of Haliburton, designated as part 1
on a Plan of Survey by Dearden, Stanton,
Stones and Strongman, Ontario Land Survey-
ors, dated November 4, 1986.

AND FURTHER TAKE NOTICE that before
passing the said By-law at the meeting to be
held at the time and place above-mentioned,
the Council shall then and there hear in person
or by his or her counsel, solicitor or agent, any
person who claims that his or her land will be
prejudicially affected by the said By-law and
who applies to be heard.

DATED at the Township of Minden this 29th
day of December, 1986.

around the county town

by Jeanne Sears. Call 286-1538

Nancy and Frank Davies and son Bradley of Ajax spent the weekend with her parents Mr. and Mrs. Wesley Baker and also brought grandson Adam Hough of Ignace with them. These grandparents were very proud to learn that Adam is serving as a page at the House of Commons in Toronto.

All her friends send good wishes to Lena Burton who is presently a patient at Minden Hospital.

Sincere sympathy goes to the families and friends of the late Andy Stevens, Ken Hyams of Kinmount and Ada MacBrien whose funerals were since last week.

Beryl and Goldie Henderson of Roseneath were Saturday guests with her mother Mrs. Lyman Cox.

Winners at the Tuesday evening card games last week at Lochlin were lone hands Audrey Vick, and Ruth Kellett, Dorothy McElwain, Bruce O'Brien and Everett Burk. The next games at Lochlin Centre will be February 3rd.

Bradley Robinson of Toronto was home to visit his mother Mrs. Phil Robinson on the weekend.

Winners at Dollo's I.G.A. on Monday were \$100 travel voucher Marnie Couture and \$60 Coupon Book was D. Seath.

Clara Francis was pleasantly surprised by a dinner party on Saturday at Gelert Gardens on the occasion of her 71st birthday. Her family from Red Bridge, Oshawa, Ajax, Lindsay and Minden were all there and grandchildren from various parts of our province as well. Belated good wishes to her.

Winners at St. Paul's card games last Thursday afternoon were lone hands Pearl Cowan and Charlotte O'Neil, Johann Beattie (cut) and Verna McDonald (man's) and Edna Trumbull (man's).

Congratulations are in order to Wesley Baker who won a jackpot of \$859.50 in 649 draw of January 10th.

Several birthdays early in February at Hyland Crest are for Margaret Gainforth, February 4 and Helena Brown February 7.

There is to be Ladies Coffee Hour at the Agnes Jamieson Gallery Thursday, February 5 from 11 and the number to call is 286-3897 and this is by the Fellowship Baptist Church.

We were pleased to notice that there is a new set of World Book Encyclopedia at the Minden Library, and especially as we had a set at home for me when I was young.

We heard that the Thrift Shop beside The Times will be open Fridays for a while from 1:30 - 4.

At the Agnes Jamieson Gallery starting February 11 with a 7 p.m. opening of the full Permanent Collection, for the first time. Refreshments will be served. Come and see all the works of Lapine, Jamieson, Welch, etc.

Guests with Ritchie and Clare Harrison on Monday were Marg Lonsberry and Bill Ladeuranday, of Peterborough.

The annual meeting of Minden and District Horticultural Society will be Tuesday, February 3 in the United Church Hall beginning with Pot Luck Supper at 6. Everyone, except invited guests, is asked to bring cutlery, plate, cup and saucer. You will be treated to exceptionally good pictures of China presented by Larry Lenhardt who has spent quite some time in that country. Support the

Society by attending. Election of Officers took place in November so that is behind us. There will be a full account in next week's paper.

We heard that Ada Stevens is spending a while with daughters Noreen and Connie.

It's just the jolly, joking things, The "Never-mind-the-trouble" things, The "Laugh-with me ... it's-funny" things That make the world seem bright. So here's to all the little things, The done-and-then-forgotten things, Those "Oh-it's-simply-nothing" things, That make life worth the fight!

Anon

This weekend is our Annual Winter Carnival, hopefully the weather will co-operate and we surely have had some zero weather but sun is bright today. Keep smiling.

Also, if you have items for this column please call Sunday evening or before 10 a.m. Monday morning.

Club 35 winners this week include - door prize - Madeline Redfern, most lone hands - Doreen Lewis, high man - Murray Daniels and others Jim Foster, Madeline Redfern and Vern Boles.

senior league

by Pearl Lyle

Hello readers. Warmer weather in view we hear and hope.

Sunday service was taken by Rev. and Mrs. Burgess and assisted by Mr. and Mrs. Thompson and on Tuesday morning Rev. Edward Moll from the Minden United Church had charge.

The movies last week were "Among Other Things" mostly about the Bruce Trail which was colourful and very interesting. The second movie was "All Ears to Gaspe". It was also very good.

Walter Ackerblade called on his sister Mabel Buttery on Friday.

I am sorry to report that Edith Welch is in hospital. It is nice to hear Mr. Brohm is improving nicely from his recent illness. He had four of his six sons in to see him on Saturday.

We welcome another new resident to Hyland Crest. Mrs. Teresa Bluett. We hope

she will like it here.

The A.C.W. Ladies of West Guilford came on Thursday with the Tea Party. It was a delicious lunch and the music and singing was very much enjoyed by all.

Rev. Fogwell from Norland Baptist Church came to call on Mr. Brohm.

A special meeting of the Residents Council was called. The results were very satisfactory.

Edna Cowan is spending a week in the city with some of her family.

Jean Taylor had a visit one day last week with her niece and little daughter. Sorry to report Dora Dawson is on the sick list as of Sunday. We hope she will be better soon.

We are glad to see Lola Prentice home from the hospital.

All for now. If we can smile in cheerless weather, how nice to see.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off - in the list.

It's as easy as that. Have fun!

Q: Why was the billiard player late?

A: Because he missed his cue.

Q: What must you always fight to get?

A: A black eye.

Q: What is the principal part of a horse?

A: The mane part.

Q: What turns without moving?

A: Milk.

Q: Who works with a will?

A: A lawyer.

The Times

— NOTICE —

The retail price of THE TIMES will increase with next week's (February 4) edition. The new single issue price will be 35¢.

This is the first increase in the single issue price of THE TIMES in almost ten years. It reflects, in part, the increase in production and distribution costs over that period of time.

- SUBSCRIPTION RATES -

New rates for mail delivered subscriptions will also be increased effective March 1. Please note the following subscription rates applicable as of that date.

Ontario residents - \$15.00

Outside of Ontario - \$20.00

Out of Canada - \$40.00

(Until February 27, renewals, extension of existing subscriptions and new subscriptions will be accepted at the present rate.)

The first Minden Girl Guide company welcomed eleven new members January 20 when the annual fly-up ceremonies took place at St. Paul's Anglican Church in Minden. The new guides are, from the left, front row, Meghan Obee, Amanda Stephenson, Amanda Woods, Carol Mowatt, Michelle Carpenter, Kim Robinson, Beth Cameron and Dawn Cannon. Back row, Christi Ackerblade, Anna Tomlinson and Cara Donnery.

Tax help for senior citizens

by Doreen Hawman

Have you received your personalized 1986 Income Tax Return and Guide?

Those who used a Tax Service to complete their return for 1985, will have to pick up a form at the Post Office or the Haliburton County Information Centre. The most common error is that we are over-anxious to complete the return and do not include every item that is necessary, such as a T5 slip which comes in the mail from the bank, giving a total of all interest earned throughout the year.

Remember, these do not have to be mailed to you until the end of February, so you must wait until it arrives. The same applies to T4's sent out by employers.

You will need a T4A(P) slip for Canada pension, a

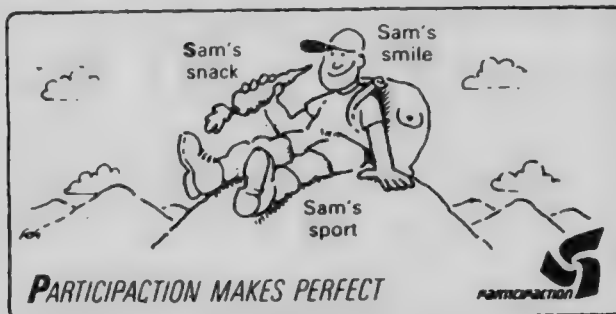

T4A slip for Old Age Security, if you are receiving any other pensions you must have a statement for these. You will receive a TFA1 statement for any Family Allowance paid to you during 1986. Gather together all receipts for dental work, charitable donations or any other tax deductible items, only a percentage of your medical expenses is applicable. Have your 1985

return at hand so you may refer to it for information.

The Haliburton County Information Centre is asking for volunteers who are willing to take time to help others with their returns, to attend a tax clinic February 17, at 1:15 p.m. in the Drag River Municipal Building, Maple St. in Haliburton. Please consider being a volunteer, you will find it a very rewarding

experience as well as gaining knowledge you will use when completing your own return.

For further information call the Haliburton County Information Centre 457-2733.

Haliburton club hosts seniors

submitted

The Haliburton Senior Curling Club was host to the Minden Senior Mixed and each club entered eight rinks of mixed curlers. The spoils were shared by those 64 enthusiastic curlers who participated in this bonspiel between our "friendly villages."

Drawmasters Jim Holmes and Bruce Armstrong very skillfully selected the competitive rinks for the 9:30 and 10:30 a.m. draws. Each rink curled the

required six ends and not only was the competitiveness very keen like the ice, but the scores were equally close. There were several instances of tie-breaking rocks being curled toward the "glass end" which was thrilling to witness, pleasant for the winners and disappointing for the losers.

However, good sportsmanship prevailed and congeniality was in evidence at all times.

After the 'drawmasters' had completed the recording of points, the first draw winner was the rink of Nick Nimigon (skip) supported by Jack Bassett, Marg. Martin and Stu. Martin with a total of 29 plus points.

The second winner in this draw happened to be a relative of the winner of the first draw and even though each rink displayed fine curling, the 29 plus points recorded by Nick held onto first place, therefore skip Gloria Nimigon, Bruce McKay, Irv Chambers and Wally Knoblock ended in second place having also scored 29 plus points, just a fraction less than the winner.

We are of the opinion that Nick enjoyed his dinner even

if Gloria only served him "hot tongue and cold shoulder" when they arrived home.

The second draw winners each ran into very strong opposition in their first games and in one instance it was a tie in the fifth and the "coming home" rock in the sixth end was declared a winner by less than half an inch.

In another instance, a competing team was on the verge of being "skunked" but the opposing rink relented and finally permitted them to score an end to save face.

The over-all winner with highest number of points won the second draw and the trophy and it was none other than the rink skipped by drawmaster Bruce Armstrong and ably assisted by Harry Hodgson, Billie Pickard and Bill Juby.

We want to point out that being 'drawmaster' did not influence the judges when it came to choosing the winner with more than 33 points.

The runner-up and second place winner was a Minden rink skipped by Ed Pettinger, vice skip Peg Pettinger with Jack Harrington and Ed Shaw as second and lead. This rink scored 31 plus points.

The High Game winner was also a Minden rink skipped by Frank Codlin with Bill Donnelly as vice skip, Merle Codlin and Mary Orpana as second and lead. Like all other rinks they struggled to keep on top and finally emerged with sufficient points to capture the coveted prize. Again, excellent curling, good sportsmanship and competitive friendship was very much in evidence.

Last, but not least, an

extra large "Thank You" to the Haliburton ladies for a superb job in serving an appetizing luncheon of home-made soup, sandwiches and home-made pies.

The visiting club thanked the host club for their hospitality, their good organizing, fine competitiveness and as always, a friendly atmosphere. We look forward to more 'spiels at a future date.

Helping your child acquire life skills

by Faith Aggett

"Watching young children blossom and helping that flowering occur can be among life's most rewarding experiences for any parent or teacher." We are so proud of them as they solve independence, learning to care for his own needs and to be independent are an important part of a child's development. With self assurance comes the confidence to tackle new concepts and thereby become a problem solver.

Here are some things you can do to encourage independence in the young child:

Put up low hooks or coat racks so that children can hang up their own coats.

Put a short, sturdy stool by the sink. Older kids can wash and get drinks on their own.

Keep a sponge, hand broom, rags and dustpan handy so that children can reach them and clean up

their own spills.

Arrange toys and equipment on low shelves so that children can reach them. And put them away afterward.

Encourage children to dress themselves. Show them how to zip, snap and button.

Give them small tasks within their scope that will challenge and encourage a sense of accomplishment.

Give specific directions and use complete sentences thereby expanding their vocabulary.

When exploring new concepts, patiently guide them to an awareness through thought evoking questions.

Making your child independent does not mean forcing the issue. Independence comes with a sense of success. You can help them to "feel" independent by letting them do as much as they can and gently offering assistance when they need it.

Branch 129 news

by Gerald Irish

Sorry you missed it. What a great time was had by those who went on last Saturday's sleighride! Two teams of horses took two sleighs, filled with happy revellers, on a beautiful night trip through open fields and bush trails. What fun! Singing, laughter, clean crisp air, crunching snow and good companions, all helped to make that ride a memorable event.

On our return to the Legion, we were served delicious hot chili and buttered rolls.

Already people are asking about another sleighride. Don't miss the next one. Thanks to Northernways Bus Lines and Scott LaRue for loaning us a bus to take us to and from Cowen's farm.

Bluegrass is on every committee member's mind. Bluegrass promoter, Tony DeBoer, has finalized the line up of artists. We have repeats from last year and new groups coming.

Yes, Mac Wiseman will

headline the show, and the very popular Cindy Thompson Show will be back, doing two shows on Saturday.

Our surveys, conducted last year, indicated that the Bluegrass crowd wanted repeat performances from Blue Mule, Macdonald Bluegrass, White Water Bluegrass and Beaver River Bluegrass and we have been successful in getting these groups back. Joining Mac and these groups will be Streets and Hills and the Taylor Family. Both groups come highly recommended

Q:
What causes more school absenteeism than any other ailment?

A:
Respiratory problems. For more information, call your Lung Association.

THE LUNG ASSOCIATION

and have a reputation as real crowd pleasers. Ads are being prepared now and will be distributed soon. Remember the dates - August 7, 8, 9.

March 21 - the first day of Spring - and what a way to welcome the new season - will see The Boys from Indiana performing at your Legion. This very polished, professional group headlined last year's Bluegrass in Haliburton and will entertain you royally.

We are all looking forward to their show. Hopefully, another group, from this summer's show will appear with them. Advance tickets will be \$7.00 and at the door, \$9.00.

1987 promises to be quite a year, with something special planned for every month. I'll keep you informed of all upcoming events.

Don't forget the general meeting at 8 p.m. on February 5.

Minden Women's Institute

The January 21st meeting of Minden Women's Institute was at the Library Cultural Centre with our president Mrs. C. Lacey welcoming us.

The 16 members turned in cards for the Roll Call or paid a fine. There was a report from Mrs. W. Moore of 10 cards sent since the last meeting and collections for the Card Fund and Pennies For Friendship were taken.

The Birthday Box was opened and we must be getting younger as only a little over thirteen dollars was in it.

A committee of nine to plan Victoria East District Annual in May is to meet at the Don Berry home Wednesday, February 4 at 1:30. Ideas for our annual bus trip are to be brought to the next meeting.

Mrs. Alec Taylor then

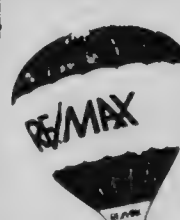

read the Current Events of 1986 which gave us memories of the past year and this goes into the Tweedsmuir Book for reference.

Readings were given by Mrs. Sears of "Happiness is" and by Mrs. A. Coulter

"Friendship Cake".

We then adjourned and enjoyed a social half hour and snacks served by the committee. Next meeting will be at this same place at 2 on February 18 with all ladies welcome.

Jeanne Sears P.R.O.

PROMOTIONAL OPPORTUNITY

Position Title: Building Custodian
Division: Victoria Haliburton Housing Authority
Branch: Central Regional
Classification: Off Site Building Custodian
Salary Range: 11.70 per hour Jan. 1/87
Schedule: 40 hour week
File Number: JOVH1/87

Position Summary

The Housing Authority requires a Building Custodian whose duties will include all or part of the following:

- Cleaning and maintaining of all interiors of public areas located within two senior citizen buildings
- Cleaning vacant units
- Checking fire safety equipment & application of fire code log system
- Performing and reporting on various preventative maintenance functions
- Performing minor maintenance repairs
- Cleaning and maintaining the exterior of the projects including the cutting of grass, maintaining the flower beds and removal of snow from walkways and parking lots
- Reporting on maintenance repair requirements, vandalism and disturbances
- Other duties as required

Candidate must be compatible with tenants

Location:

Minden - 110 Bobcaygeon Rd., 20 units
Haliburton - Mountain Street, 35 units

Minimum Qualifications

Must be physically fit and have the ability to lift janitorial and grounds maintenance equipment used in day-to-day performance of duties. Must be able to perform minor maintenance to plumbing fixtures, equipment and products would be helpful. Candidate to live off site. Two projects are two storey walk-ups and set work schedules for each project must be adhered to. A valid drivers' licence is required.

Please forward applications for this position to the Victoria Haliburton Housing Authority to the attention of the Manager no later than January 30, 1987.

CARD OF THANKS

I would like to take this opportunity to express my sincere thanks to my family friends and all who were so kind to me during my recent illness. Also Dr. Dawson, Nurses and staff of the Minden Hospital. And all the love and care of my family and prayers of loved ones. Mary E. Windover, Sunrise Apts.

Thanks to Legionnaires and Cadets. My deep appreciation goes out to those members of Br. 129 and our cadets who worked so diligently to bring Wintario to Haliburton. Legionnaires gave freely of their time, energy and vehicles to ensure that posters and tickets were printed and distributed. Cadets responded willingly to act as courteous, helpful ushers. Gerry, thank you for your organizational abilities and the fine job as master of ceremonies. Thank you to the local, very talented people who provided such excellent entertainment for the pre-broadcast show. A sincere thank you, as well, to Jan Shipley and the ladies of Br. 129 L.A. who provided the tasty lunch served to the crew and guests. You each exemplify Haliburton hospitality and cooperation. Thank you.

Joan Irish
Pres. Br. 129

AT REST

MacBRIEN Ada

- at the Hyland Crest Senior Citizen's Home, Minden, on Sunday, January 25, 1987, in her 90th year. Beloved wife of Victor MacBrien. Dear mother of Lilah Levering, Helen Jones, and Catherine Grossmiller, all of Florida. Dear Stepmother of Robert MacBrien of Minden, Betty Routliffe of Sarnia, Douglas MacBrien of Granby, Massachusetts, and Gwen Culbert of Florida. Fondly remembered by her 8 grandchildren, 23 great-grandchildren, and 4 great great grandchildren. Resting at the Gordon A. Monk Funeral Home, Minden, from 7:00 - 9:30 p.m. Tuesday, for funeral service in the Chapel on Wednesday, January 28, at 2:00 p.m. Spring Interment.

STEVENS

Andrew Minaker

- at the Minden Hospital on Thursday, January 22, 1987 in his 83rd year. Beloved husband of Ada Stevens, dear father of Noreen Elaine (Mrs. Leonard Basciano) of Peterborough, David Michael of Minden and Connie (Mrs. Donald Graham) of Richmond Hill. Dear father in law of Sonia. Loving grandfather of Michael, Geoffrey and Stefanie. Dear brother of the

AT REST

late Holly, Clarence, Martha, Jane, Elsie, Reta, Ivy and Lenore. Rested at the Gordon A. Monk Funeral Home, Minden from 2:00 - 4:00 p.m. and 7:00 - 9:30 p.m. Friday. Funeral service was held in the chapel on Saturday, January 24 at 2:00 p.m. Spring Interment Minden Cemetery. Masonic service in the chapel on Friday at 8:00 p.m. Memorial donations to Arcadia Lodge No. 440 or the Beaverbrook Memorial Tree Beautification Program would be appreciated.

IN MEMORIAM

LUKE: In memory of a loving husband, father, grandfather and great grandfather Edward Luke, who passed away January 31, 1982.

So many things have happened Since you were called away. So many things to share with you Yesterday, tomorrow and today We miss you being always there Our companion and our friend Memories of a life now past Are dear, you can depend.

Love as ever, wife Edith. Rob and Donna.
